

Sticky Learning for Science (Chemistry)

Class 2

Whatever Next!

Everyday Materials (Year 1)

I can distinguish between an object and the material from which it is made.

I can identify and name a variety of everyday materials.

I can describe the simple physical properties of a variety of everyday materials.

I can compare and group materials by their properties.

I can complete a survey of the classroom and classify different materials. **MO IC RR**

I can answer the question 'What would be the best material to make an umbrella for Baby Bear?' **AQ MP MO EM PE RR DC AE**

Key Vocabulary to learn:

- Wood
- Glass
- Plastic
- Metal
- Fabric
- Natural
- Man-made
- Properties

Working Scientifically:

AQ Asking and answering questions

MP Making predictions

MO Making observations

EM Equipment and measurements

IC Identifying and classifying

PE Engaging in practical enquiry (investigations)

RR Recording and reporting findings

DC Drawing conclusions

AE Analysing data, evaluating and raising further questions and predictions
