

Sticky Learning for Science (Biology)

Class 2

Dragon Dinners

Animals including Humans (Year 1)

I can identify and name a variety of animals that are carnivores.

I can identify and name a variety of animals that are omnivores.

I can identify and name a variety of animals that are herbivores.

I can identify, classify and group different animals according to what they eat. **IC**

I can ask simple questions about what animals eat. **AQ**

I can use my observations and ideas about what animals eat to suggest if they are carnivores, omnivores or herbivores. **MO EM PE RR DC**

Key Vocabulary to learn:

- Carnivore
- Herbivore
- Omnivore

Working Scientifically:

AQ Asking and answering questions

MP Making predictions

MO Making observations

EM Equipment and measurements

IC Identifying and classifying

PE Engaging in practical enquiry (investigations)

RR Recording and reporting findings

DC Drawing conclusions

AE Analysing data, evaluating and raising further questions and predictions
