Dear Parent/carer

Re: Applying for a Secondary School Place – September 2026

Your child is due to start secondary school in September 2026 – an exciting and important milestone. We are writing to inform you about the application process, key dates, and where to find the information, you'll need to guide you through this journey.

How to Apply - Applications must be submitted online via the Oldham Council website.

Key Dates - The online application system opened on 1 August 2025 and closes at 5pm on 31 October 2025.

Important Information - You are advised to list **at least three school preferences** on your application. If you do not have internet access, computers are available for public use at all Oldham libraries. For applications to **faith schools**, you may need to complete a supplementary form or provide additional documentation. These forms are available directly from the relevant school and must be returned to them.

Open Evenings - All Oldham secondary schools will be holding open evenings during the autumn term. This is a great opportunity to visit schools and gather information to help you make informed choices.
