Reflections from Collective Worship

The Christian value this half term is Thankfulness. During collective worship, the children thought about what they were thankful for. These included family and friends, love, school, food, toys, tablets and phones and places like parks to play in. The children reflected that they are very lucky to be living in a place where there is no war or fighting. They also listened to the story of the Lost Coin and reflected on how they felt when they had lost something and then how thankful they felt when they found it again.
