Reflections from Collective Worship

The Christian value this half term is Thankfulness. This week during collective worship, the children heard the story of Jesus and the ten lepers. Jesus performed many miracles and cured the lepers of their illnesses. They were extremely thankful and could live happier lives. The children reflected that we should be thankful for many things including our health, which we can often take for granted. We also remembered Goldie the fish, who sadly passed away this week, after being part of our school family for over 18 years. The children were very thankful to have had Goldie as part of their time at St Agnes.
