Reflections from Collective Worship

On Wednesday, we had a visit from Mary from Groundbreakers who led our collective worship and talked about the Friendship Team who all had different qualities. Twelve Year 6 children were chosen to be the Team and the rest of the children were given different problems and they had to choose people from the Friendship Team to help solve the problems. This Team was very much like the disciples who Jesus specially chose to be his helpers and they became his friends and support. The children reflected that that it would be fantastic to be chosen like the disciples were because of their qualities and helpfulness.
