St Agnes C of E Primary School 🎄 Christmas Bauble Decorating Competition 🎄

Dear Parents and Carers,

We are excited to invite all children to take part in a festive Christmas decorating competition!

Local businesses in Lees, Springhead and Grotton will be displaying Christmas bunting created by children from local schools throughout the festive season.

We would love as many children as possible to get involved by decorating their own Christmas bauble using the template provided.

The challenge: Decorate your bauble however you wish! You can use colouring pencils, felt tips, paints or any other creative materials. The only rule is to make your design bold, bright and colourful so it stands out when displayed in the local community.

There will be a prize for every participating school, so get creative and have fun!

We would like children to complete their baubles as a homework activity over the half-term holiday.

Please return your completed bauble to school by **Monday 2nd November 2026**.

All baubles will then be collected and distributed to local businesses, ready to spread some Christmas cheer!

We look forward to seeing your wonderful festive creations and helping to brighten up our local community this Christmas.

Thank you for your support!

Yours faithfully,

St Agnes C of E Primary School
